Product Advantages

- 1□New design with a bright appearance, more reasonable structure, and advanced technology for efficient and accurate packaging.
- 2□Imported PLC full computer control system with a color touch screen for easy operation, intuitive performance, and maximum efficiency.
- 3□Imported servo film transport system and color mark sensor for accurate positioning and complete machine performance, resulting in superior packaging and beautiful finish.
- 4□Multiple automatic alarm protection functions for maximum loss reduction.
- 5□Automatically completes feeding, metering, filling and sealing, date printing, conveying, and discharging for efficient and high-accuracy performance.
- 6□Suitable for packaging loose round particles in the pharmaceutical, food, chemical, and other industries, such as puffed granules, peanuts, melon seeds, corn kernels, popcorn, sugar, salt,

biscuits, and more.

7□High measurement accuracy and high efficiency for customers who require high accuracy performance, a wide range of materials, and no special packaging requirements.

8□Exquisite packaging and firm sealing for high-quality results that preserve the freshness of the product and protect it from damage during transport.

9□Easy-to-use touchscreen interface for efficient operation and accurate weighing, with minimal product waste.

10□Compatible with a variety of bag types and sizes for versatility, and can be customized to meet specific packaging needs and requirements.

Product specification

Model	JYT-420AZ
Filling range	150-1500ml
Packaging speed	5-60 bags/min
Bag length	80-300mm
Bag width	60-200mm
Roll film width	Max.420mm
Roll film diameter	Max.320mm
Machine size	1217*1015*1343mm
Machine weight	650kg
Machine power	220V, 50/60HZ, 2.2KVA

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Company profile

Foshan JYT Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine . We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care , foodstuff, agrochemical , chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products. With years experience and development, We have Obtained ISO9001 quality management system authentication and parts of our products have passed CE authentication.
