Company profile

嘉怡 JIAYITE 有限公司

本公司，承接，各類，工業，機械，設備，安裝，及，維修，工程。

承接，各類，工業，機械，設備，

安裝，及，維修，工程，及，各類，工業，機械，設備，

承接

OUR ADVANTAGE

On-site installation,
commissioning and training

High automation, simple
operation and labor saving

High automation, simple
operation and labor saving

Life long technical
service support

Our Advantages

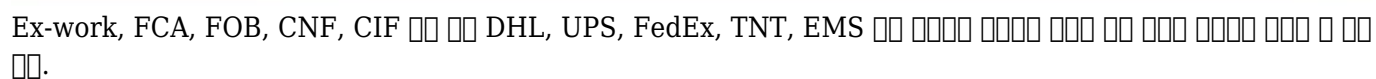

1. High efficiency, high accuracy, high speed, high precision, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.
2. High automation, simple operation, low labor cost, low maintenance cost.
3. High accuracy, high precision, high speed, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.
4. High efficiency, high accuracy, high speed, high precision, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.
5. High accuracy, high precision, high speed, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.
6. High efficiency, high accuracy, high speed, high precision, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.
7. High accuracy, high precision, high speed, high stability, high reliability, high safety, high quality, high performance, high cost-effectiveness, high service life.

Our Advantages

Model	JYT-280C
Rolling width	304 stainless steel
Rolling thickness	20-60mm
Rolling length	30-180mm
Rolling width	30-140mm
Rolling thickness	(mm)850*(mm)1100*(mm)1900mm
Rolling length	350kgs
Rolling width	220V, 50Hz, 1.4KW

Our Advantages

100% payment by T/T, 70% payment by L/C, 30% payment by T/T.
