

Automatic Ground pepper powder filling machine From China Supplier

Product Detail

Accessories are put into the machine

Transfer to packaging machine for packaging.

The accessory machine is running at the same time.

Simple operation of Chinese and English settings

Brand-new design, beautiful appearance
Reasonable structure
and advanced technology.

Imported color code sensor,
accurate positioning.
Excellent performance of
the whole machine

Screen display in other English
languages can be selected.
Convenient and simple
operation

Product Advantages

Main Features

1. High-speed counting and packaging - This machine can count and package small parts at a high speed, reducing the time needed for these processes.
2. Precise counting - The vibrating plates ensure that the parts are counted accurately, minimizing the risk of errors and waste.
3. Automated operation - The machine is fully automated, reducing the need for manual labor and increasing efficiency.
4. User-friendly interface - The machine features an intuitive interface that makes it easy to use and operate.
5. Compact design - The machine has a small footprint, making it easy to integrate into existing manufacturing lines.
6. Versatile - The machine can handle a wide range of small parts, making it a versatile solution for manufacturers.
7. Durable - The machine is built to last and withstand the demands of continuous use in manufacturing environments.

8. Consistent output - The machine ensures consistent output, ensuring that each package contains the correct number of parts.
9. Saves labor costs - The automation of counting and packaging processes reduces the need for manual labor, saving labor costs in the long run.

Product Specification

Model	JYT-260LS
Packaging speed	30~60bags/min
Bag length	40~200mm
Bag width	50~130mm
Size	1100*755*1540mm(L*W*H)
Weight	300kg
Power	220V,50/60HZ,1.2KVA

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Foshan Jiayite Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine . We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care , foodstuff, agrochemical , chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products. With years experience and development, We have Obtained ISO9001 quality management system authentication and parts of our products have passed CE mauthentication.
