

Boost Your Production Efficiency with Our Vibrating Plate Counter

Product Detail

Vibrating disk device

A variety of material products can be packaged by using the positioning metering device tray.

Moving membrane

Suitable for simple installation of various roll film materials.

Vibration disk amplitude

Can better control the operating range and make the machine smoother.

Control panel

Optional screen display in other English languages, easy to operate.

Product Sample

Product Advantages

- 1 Enhances quality control - The consistent output of the machine enhances quality control, ensuring that each package contains the correct number of parts.
- 2 Easy to maintain - The machine is easy to maintain, reducing downtime and ensuring continuous operation.
- 3 Reduces manual handling - The machine eliminates the need for manual handling of small parts, reducing the risk of injury and fatigue.
- 4 Saves space - The compact design of the machine saves space in manufacturing facilities.

5 Increases efficiency - The automation of counting and packaging processes increases efficiency, allowing manufacturers to produce more products in less time.

6 Enhances product presentation - The precise counting and packaging capabilities of the machine enhance the presentation of products, making them more appealing to customers.

Product Specification

Model	JYT-260LS
Packaging speed	30~60bags/min
Bag length	40~200mm
Bag width	50~130mm
Size	1100*755*1540mm(L*W*H)
Weight	300kg
Power	220V,50/60HZ,1.2KVA

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

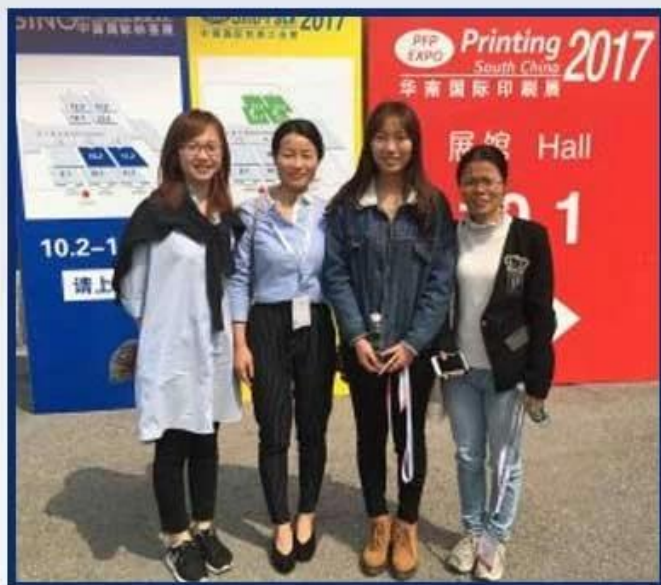

About us

Foshan Jiayite Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine . We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care , foodstuff, agrochemical , chemical and lubricate oil for liquids , cream/ointment, fluid and half-fluid, powders, and granules products.

With years experience and development, We have Obtained ISO9001 quality management system authentication and parts of our products have passed CE authentication.

EXHIBITION RECORD

Our Customers

Our Advantage •

On-site installation,
commissioning and training

Specially customized
based on actual situation

High automation, simple
operation and labor saving

Life long technical
service support

AFTER-SALES SERVICE

PACKAGING SHIPPING

It can be shipped by terms of Ex-work, FCA,FOB,CNF,CIF by sea or by air DHL, UPS, FedEx, TNT, EMS etc based on the buyer's forwarder or ours.

FAQ

Q1.Are you a manufacturer?

A1:Yes, we are an experienced manufacturer with our own brand and production lines.

Q2.How about quality of products?

A2: Our technicians and QC teams test the products one by one using aging line, professional devices and instruments to ensure the quality for all products.

Q3.How about price?

A3: We are a manufacturer and always offer our customers the most competitive prices.

Q4.How to place an order?

A4: Contact with online service, or sent email to us directly, we will reply to you with product price, specifications, packing etc. soon. Thank you.

Q5.May I send samples to you testing?

A5: Yes! You are welcome to send us your products to test by our machine.

Q6.Can I visit your factory?

A6: Yes, welcome to visit our factory at your convenient time.
