

China Advanced Honey Stick Filling Machine Factory

Product Detail

1

» Pneumatic pump

It can adapt to a variety of liquids, calculate and identify the final weight of liquids, efficient and intelligent

2

» Conveyor belt

Conveyor belt can be installed, convenient and fast during transportation

3

» heat seal

According to the material, the temperature can be adjusted, and the heat seal is tight

4

» cutting device

A variety of cutting methods can be realized, such as flat cutting, zigzag cutting, continuous cutting, etc.

Product Sample

One machine meets the needs of various products, and products of different shapes can be customized

Products suitable for various liquids, can be customized

Product Advantages

- 1. High-speed packaging for increased productivity.
- 2. Precise filling for accurate portion control.
- 3. User-friendly interface for easy operation.
- 4. Durable construction for long-lasting performance.
- 5. Versatile packaging options for various bag types.

Product Specification

Model	JYT-200Y
Measuring Range	1-100ml
Bag size	L:30-180mm W:15-100mm
Bag type	3 side seal bags, 4 side seal bags
Machine texture	Stainless Steel
Packaging Speed	5-60 bags/min
Power	220V / 50-60HZ / 1.2 KW
Machine Weight	300kg
Machine Size	L640 * W700 * 1580 mm

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Foshan Jiayite Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine. We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care, foodstuff, agrochemical, chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products. With years experience and development, We have Obtained ISO9001 quality management system authentication and parts of our products have passed CE authentication.
