

Product Sample

Product Description

This packing machine is suitable for liquid products such as soy sauce, chili sauce, honey, ketchup, tartar sauce, liquid butter, juice, milk, Mouthwash, shower gel, shampoo, etc.

Product Advantages

Main Features

1. This machine can automatically complete a series of processes such as film feeding, filling, pressing and cutting.
2. The electrical appliance adopts imported control system, and it can be equipped with missing material and leakage compensation device and missing particle detection and removal device according to customer requirements.
3. The whole machine adopts a segmented combination: PVC forming, feeding and heat sealing are one section, and tropical aluminum cold forming, heat sealing and punching can be divided into one section for separate packaging.
4. Adopt photoelectric control system, automatic feeding of PVC, PTP, duralumin packaging, automatic punching of waste edges, to ensure the stability of ultra-long-distance multi-station synchronization.
5. It can be equipped with photoelectric detection and correction device, equipped with imported stepper motor traction, printing and packaging of graphics and text, to optimize the grade of packaging.
6. The latest domestic high-power transmission mechanism is adopted, and the main transmission shaft is driven by the platoon chain, which eliminates the error and noise of other gear transmissions.

Product Specification

| | |
|---------------------------------------|---|
| Model | JYT-115 |
| Cutting frequency | 10-30 Times/min |
| Production capacity | 1200-2400Plates/hour |
| Maximum forming area and depth | 80*110*14mm, The depth can be customized to 30mm |
| Standard stroke range | 20-70 mm (can be designed according to customer requirements) |
| Standard section | 80*57mm (can be designed according to customer requirements) |
| air pressure | 0.6-0.8 mpa, air compressor customer-prepared or ordered |
| Total power of power supply | 380V/220V 50Hz 3.2Kw |
| Main electrode power | 0.75Kw |
| PVC hard film | 0.15-0.5*80 mm |
| PTP Aluminum foil | 0.02-0.035*80 mm |
| Dialysis Paper | 50-100g*80 mm |
| Mold cooling | Tap water or circulating water |
| Dimensions | 1600*600*1100 mm |
| weight | 450Kg |
| Noise index | <75dBA |

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Logistics

It can be shipped by terms of Ex-work, FCA,FOB,CNF,CIF by sea or by air DHL, UPS, FedEx, TNT, EMS etc□based on the buyer's forwarder or ours.

FAQ

Q1.Are you a manufacturer?

A1: Yes, we are an experienced manufacturer with our own brand and production lines.

Q2.How about quality of products?

A2: Our technicians and QC teams test the products one by one using aging line, professional devices and instruments to ensure the quality for all products.

Q3.How about price?

A3: We are a manufacturer and always offer our customers the most competitive prices.

Q4.How to place an order?

A4: Contact with online service, or sent email to us directly, we will reply to you with product price, specifications, packing etc. soon. Thank you.

Q5.May I send samples to you testing?

A5: Yes! You are welcome to send us your products to test by our machine.

Q6.Can I visit your factory?

A6: Yes, welcome to visit our factory at your convenient time([mustard oil packing machine supplier china](#)).
