

High-Speed Rotary Cup Filling and Sealing Machine for Food Industry

Product Detail

Product Sample

Product Advantages

Increased Efficiency: Our Rotary cup filling and sealing machine can significantly increase the production efficiency of your business by filling and sealing cups quickly and accurately.

Versatility: Our machine can handle various cup sizes and materials, providing you with versatility in your packaging needs.

Consistent Product Quality: With precise filling and sealing capabilities, our machine can ensure that each cup is filled and sealed consistently, providing a reliable and consistent product quality.

Customizable: We understand that each business has unique packaging needs. That is why our Rotary cup filling and sealing machine is customizable to meet your specific requirements.

Reduced Manual Labor: Our automated machine reduces the need for manual labor, minimizing the risks of worker fatigue and errors, and ultimately increasing safety and productivity.

Durable and Long-Lasting: Made with high-quality materials and reliable components, our machine is built to last, providing you with long-term use and savings.

User-Friendly: Our machine is designed with ease of use in mind, making it user-friendly and accessible to all employees, ultimately reducing training time and increasing productivity.

Safe to Use: Our machine comes equipped with safety features to protect operators and minimize risks of accidents, providing a safe and secure work environment.

Cost-Effective: By increasing productivity, reducing manual labor, and providing long-term use, our Rotary cup filling and sealing machine is a cost-effective solution for your packaging needs.

Increased Packaging Capacity: With our machine's high-speed capabilities, you can increase your packaging capacity and meet the demands of your business.

Product specification

Model	JYT-900
Air pressure	0.5-0.7Mpa
Cup diameter	Customized
Working speed	800-900cups/h
Filling volume	According to the cup volume
Machine dimension	120x150x170cm
Machine weight	350kg
Power	110V/220V380V

Voltage

1.6kw

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Foshan Jiayite Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine . We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care , foodstuff, agrochemical , chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products. With years experience and development, We have Obtained ISO9001 quality management system authentication and parts of our products have passed CE mauthentication.
