

Fully automatic doypack zipper bag liquid ketchup tomato paste packing machine

**PROFESSIONAL  
PACKAGING SOLUTIONS**

**JYT AUTOMATION EQUIPMENT**

**DOYPACK BAG LIQUID PACKING MACHINE**

The advertisement features a top banner with a blue and white diagonal design. On the left, the text 'PROFESSIONAL PACKAGING SOLUTIONS' is in large white letters, with 'JYT AUTOMATION EQUIPMENT' below it in a white box. On the right, there are three circular icons: a CE mark, a RoHS compliance logo with a green checkmark, and a yellow shield with a dollar sign. Below the banner is a photograph of several small white bowls containing various food items: red ketchup, green pesto, brown tomato paste, yellow mustard, and other sauces. A blue banner with the text 'DOYPACK BAG LIQUID PACKING MACHINE' is overlaid on the bottom of the photograph.

**MAX.SPEED**

## INTRODUCTION

Professional team to provide customers with machine customization services

Main Features 1. PLC full computer control system, color touch screen, easy to operate, intuitive and efficient. 2. Multi-station design, small footprint, can be equipped with coding, exhaust, punching and other functions according to customer requirements. 3. A variety of automatic alarm protection functions to minimize loss. 4. The machine frame is made of 1.5mm thick 304# stainless steel, which is strong and durable, effectively prevents corrosion and has a long service life. 5. Using international brand high-quality electrical components, the quality is reliable and the machine operation is more stable. 6. All machines have CE certification and ROHS certificate.

Measuring range	100-1500g
Bag length	100-250mm
Bag width	100-350mm
Packing speed	25-60 bags/min
Machine size	1450(L)*1560(W)*1525(H)mm (single host)
Machine weight	1400kg
Power	380V, 50/60Hz, 3.5kw

### Professional and strong team

A professional team can provide customers with various packaging solutions, after understanding customer needs, we provide customers with suitable packaging solutions, and then start to produce machines. We have standardized production workshops and use branded electrical components to ensure reliable machine quality.

1. Set a strategy

2. Design drawings

3. Machine production

4. Quality Inspection

5. Factory acceptance

6. Packaged and shipped

Professional engineers provide technical support to customers.

## ABOUT US

We have more than **120** professional staff

### JYT MACHINERY

PACKAGING EQUIPMENT MANUFACTURER

- **9** years of brand
- **20** technical team
- **4510m<sup>2</sup>** production plant
- **80** machine models for choice

Foshan Jayant Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine. We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care, foodstuff, agrochemical, chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products.
