Professional and strong team

A professional team can provide customers with various packaging solutions, after understanding customer needs, we provide customers with suitable packaging solutions, and then start to produce machines. We have standardized production workshops and use branded electrical components to ensure reliable machine quality.

1. Set a strategy

2. Design drawings

3. Machine production

4. Quality Inspection

5. Factory acceptance

6. Packaged and shipped

Professional engineers provide technical support to customers.

ABOUT US

We have more than **120** professional staff

JYT MACHINERY

PACKAGING EQUIPMENT MANUFACTURER

- **9** years of brand
- **20** technical team
- **4510m²** production plant
- **80** machine models for choice

Foshan Jayant Packaging Machinery Co., Ltd. is a professional and reliable manufacturer of bottle filling machine, capping machine, labeling machine and pouch packing machine. We are providing quality packing solutions for bottle filling and packing in the industries of home care and personal care, foodstuff, agrochemical, chemical and lubricate oil for liquids, cream/ointment, fluid and half-fluid, powders, and granules products.

WORKSHOP
