Product Advantages

Main Features

1. Anti-air bag detection function, no film without material, saving packaging film.
2. The performance of the equipment is stable and durable, and the normal service life is 10 years.
3. Points memory function, the points are accurate, convenient to receive the container after packaging.
4. Equipped with one-button reset function and two-way operation control bit, the production and debugging are more convenient.
5. The bag width can be adjusted at will, and one device can be used for products of various specifications.
