

Streamline Your Coffee Production with Our Automatic Capsule Filling and Sealing Machine

Product Detail

Product Sample

Product Advantages

1 High Efficiency: The machine is fully automatic and can greatly increase production capacity while saving labor costs.

2 Precise Filling: uses an Auger system with servo control to accurately fill each capsule with the desired amount of coffee. This ensures consistency and quality.

3 User-Friendly: The machine features a touch screen control panel and automatic alarms for easy operation and maintenance.

4 Versatile: can be used to fill and seal Nespresso, K-cup, Lavazza, and other compatible capsules.
