

Product sample

Product Description

[China Tobacco Packing Machine Supplier](#), The whole machine is composed of two sections (extruder + cutting packaging machine). Double servo screw extruder has been developed. It has applied for utility model and appearance patent protection, greatly improving the cutting speed, stability and weight accuracy.

Product advantages

1. Double servo screw extruder greatly improving the cutting speed, stability and weight accuracy.
2. Individual Touch screen and PLC control system for the Extruder.
3. The hopper, extruding screw and extrusion head are all made by stainless steel with well welding process, long life and easy to clean.
4. Highly sensible photoelectric eye for color mark tracking, which makes sealing and cutting position more accurate.
5. Independent temperature PID control, more suitable for packing films of all kinds of materials. Position fix stop function, free from cutter sticking and film waste.
6. It can independently complete the functions of automatic mixing, extrusion, quantification, cutting and packaging. Stainless steel machine frame can be customized; Special design for other products can be customized also.

Product specification

Model	JYT-420SS2
Width of film	≤250mm ≤350mm
Extruder Type	CT-135D Single screw diameter □Φ123MM-□Φ133MM
Mold range	44*18MM□50g) 75*30MM(250g)
Thickness of film	25-70um
Dimension of film	roll Outer diameter:Φ ≤300mm Inner diameter: ≤ Φ75mm
Packaging weight	≤250mm(50g) ≤350mm(250g)
Double Knife≤250mm	Bag size: (65-145)*(30-90)*(3-25) mm (L*W*H)

Double Knife≤350mm	Bag size: (80-160)*(30-150)*(3-45) mm (L*W*H)
Speed	30□100 bags/min
Power	220V,50HZ, 5KW
Outer dimensions	3700*900*1400MM(L*W*H)
Gross weight	800kg

Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.

Logistics

It can be shipped by terms of Ex-work, FCA,FOB,CNF,CIF by sea or by air DHL, UPS, FedEx, TNT, EMS etc□based on the buyer's forwarder or ours.

FAQ

Q1.Are you a manufacturer?

A1: Yes, we are an experienced manufacturer with our own brand and production lines.

Q2.How about quality of products?

A2: Our technicians and QC teams test the products one by one using aging line, professional devices and instruments to ensure the quality for all products.

Q3.How about price?

A3: We are a manufacturer and always offer our customers the most competitive prices.

Q4.How to place an order?

A4: Contact with online service, or sent email to us directly, we will reply to you with product price, specifications, packing etc. soon. Thank you.

Q5.May I send samples to you testing?

A5: Yes! You are welcome to send us your products to test by our machine.

Q6.Can I visit your factory?

A6: Yes, welcome to visit our factory at your convenient time.
