

## Product sample

## Product Description

**Automatic tea packing machine supplier**, The process of this machine is mainly to pour the tea leaves into the barrel, and then discharge the material to make the bag. Make the inner tea bag first, and then transport it to the outer bag packaging place through the chain bucket. It is suitable for customers who require full automatic and fast efficiency.

## Product advantages

1. **Tea bag packaging machine factory**, New design, bright appearance, more reasonable structure and more advanced technology;
2. Screen display in English or other languages is optional. The operation is simple and convenient. One-click setting Packing speed and baking length.
3. Imported servo film transport system and imported color mark sensor are adopted, Which ensure accurate positioning and complete machine performance. Superior performance, beautiful packaging.
4. The bag-making equipment can be replaced according to the specific requirements of customers and products.

## Product specification

|                       |   |
|-----------------------|---|
| <b>Model</b>          | JYT-32S                                       |
| <b>Filling range</b>  | 1 -1 Og/bag, accuracy: $w\pm 0.1g$ /bag       |
| <b>Packaging</b>      | speed 20-40 bags/min                          |
| <b>Bag length</b>     | 50~80mm                                       |
| <b>Bag width</b>      | 140~180mm                                     |
| <b>Sealing method</b> | Sealing and cutting by ultrasonic             |
| <b>Gas supply</b>     | mO.6Mpa (can be equipped with air compressor) |
| <b>Machine power</b>  | 220V, 50HZ, 1.2KW                             |

## Payment

You can pay by 100% T/T, Ali-pay, 70% L/C at sight would be available for qualified bank.
